CARTE POSTALE. POSTKARTE.

The Mauritshuis was erected in 1633-44 by Jacob van Kampen and Pieter Post for Count John Maurice of Nassau, and rebuilt in 1704-18 after a fire. Since 1821 it has contained the celebrated picture gallery of The Hague, a collection of about 500 paintings, the greater portion of which are by famous Dutch masters—Rembrandt, Potter, Rubens, Van Dyck, and many others.

(For Address Only.)

Printed in England.
